

## Peer Support Specialist – NAVIGATE Team

Part Time, Day Shift

Minimum Starting Salary: \$18.74/hr - Commensurate with experience and education

**Do you have a desire to support individuals who experience mental health and substance use concerns? Would you like to use principles from your lived experience to assist individuals in navigating their journey to autonomy and recovery?** If so, we have an exciting opportunity for you to work as a part time (20 hrs/wk) **Peer Support Specialist** with the **NAVIGATE Team**.

### What You Will Be Doing

As a **Peer Support Specialist** on the **NAVIGATE team**, you are a member of a multidisciplinary team and would provide treatment in an **outpatient setting and in the community**. NAVIGATE is a comprehensive program designed to provide early and effective treatment to individuals aged 15-30 who have experienced a first episode of psychosis within the past 18 months. Peer Supports draw from their personal experiences with their own mental health struggles to create a path towards wellness and inspiration for the people we serve. You will work to educate, engage, and retain individuals in treatment. **The ideal candidate would develop and facilitate groups, promote community engagement, and participate in community outreach for the NAVIGATE program.** This is a grant funded position, with grant funding through 09/30/2024.

### What We Require

You will have a **High School diploma or GED** with **one to two years of experience working in a peer capacity**. You will have a **valid Michigan driver's license with reliable transportation**. You will have lived experiences with mental health concerns, knowledge of self-determination principles, and understand person-centered planning processes. You'll have basic computer skills, including word processing, spreadsheets, database management and e-mail along with basic knowledge in the use of electronic office equipment, including copy and fax machines.
