

## Behavior Specialist II

Full Time, Day Shift

Minimum Starting Salary: \$53,955

**Do you have a passion for improving the health of individuals receiving behavioral health services? Would you like to be a valuable member of a diversity driven, mission-minded team that impacts our community?** If so, we have an exciting opportunity for you to work as a **Behavior Specialist**.

### What You Will Be Doing

Working as a **Behavior Specialist II** you'll have the opportunity to be a part of the ISK Behavior Treatment Team and work directly with a caseload of individuals who require a Behavior Support Plan for medication purposes only. Your role will include completing psychological and/or behavioral assessments to identify their behavioral needs utilizing applied behavior analysis (ABA) principles and current standards. From there, you'll develop Behavior Support Plans and provide training to staff on implementation of these plans. In addition, you will collect and assist with analyzing data for the approximate 150 Behavior Support Plan caseload of the Behavior Treatment Team as a whole. You'll work closely with the Behavior Treatment Review Committee (BTRC) through submission and presentation of Behavior Support Plans for approval as well completing quarterly reviews, including data and analysis, to monitor the effectiveness of the plans, amending them as appropriate. You will work closely with case managers and provider agencies providing consultation and recommendations for individuals who may not require a Behavior Support Plan, but only Behavior Guidelines (not reviewed by the BTRC).

### What We Require

You will have a **Bachelor's degree** in Psychology, Social Work or related human service field and **three years of experience** as well as the ability to support the confidential nature of **working with individuals diagnosed with a mental illness and/or co-occurring disorder, a serious emotional disturbance, and/or an intellectual disability**. You will meet the eligibility criteria of a Qualified Mental Health Professional (QMHP) and/or Qualified Intellectual Disability Professional (QIDP). Excellent communication writing, interpersonal, and human relation skills. Advanced computer skills, including word processing, data base management, electronic health record, and e-mail. Required licenses: Valid Michigan Motor Vehicle Operator's license.
