How to log in to a computer

1. Enter your library card number and PIN

2. Accept KPL's Terms and Conditions page

3. Click the Windows Logo Key and select Adaptive Tech Apps for ZoomText or JAWS

ZoomText

Important ZoomText commands to help you get started

Zoom In/Out	**Caps Lock+Up/Down**
Zoom to Normal	**Caps Lock+Enter**
Enhance Colors On/Off	**Caps Lock+C**
Show User Interface	**Caps Lock+Ctrl+U**
ZoomText On/Off	**Caps Lock+Ctrl+Enter**

Using the Caps Lock key

ZoomText utilizes the Caps Lock key to perform hotkey commands. Therefore, when ZoomText is running you must double-tap the Caps Lock key to switch between typing lower-case and upper-case letters.
