

## Community Treatment Team/ Case Manager

InterAct is a non profit agency providing evidence supported outpatient mental health and substance abuse services with an integrated recovery focus. We have an opening for a full-time Case Manager within our CTT Program which serves over 500 individuals. The CM provides recovery-oriented direct services for adults with mental illness and co-occurring disorders as part of an outpatient community treatment team.

### Responsibilities:

- Assess mental health, substance use, and other status of persons served during regular contacts.
- Utilize engagement strategies including outreach and peer delivered services to elicit individuals 'commitment to actively participate in treatment and enhance their recovery.
- Demonstrate knowledge of applicable federal, state, and community resources by linking people to relevant helping agencies and needed health care services.
- Ensure all annual assessments and other plans for assigned individuals are completed to meet agency requirements.

### Qualifications:

- Bachelor's degree in a human service field and minimum one year direct-service experience working with people with serious and persistent mental illness and co-occurring substance use disorders. LMSW and specialized co-occurring training preferred.
- QMHP/license to practice/certification for third-party reimbursement. Effective communication, negotiation, and organizational skills. Valid Michigan driver's license and a vehicle to transport. Will perform work in community settings which may not be barrier-free.
- Ability to work as part of very active team and effectively manage case load while meeting required deadlines are essential skills to be successful in the position.
- Proficient use of pc and mobile technology to be able to work effectively in the community using an electronic health record system.
