## Clinical Trauma Interventionist

The Southwest Michigan Children's Trauma Assessment Center (CTAC) at WMU is hiring a clinician for 40 hrs/wk to participate in the transdisciplinary assessment team, including administration of assessments and generation of comprehensive reports for children who have been exposed to maltreatment and trauma. Excellent writing skills, knowledge of trauma, and experience working with traumatized children within the child welfare system required. Must have appropriate interpersonal/relational skills working with children, biological parents, foster parents and other professionals. MSW or equivalent with appropriate licensure. This is a temporary position (non-benefits eligible). Visit [www.wmich.edu/traumacenter/jobs](http://www.wmich.edu/traumacenter/jobs) for more info. Email cover letter and resume to [cara.b.weiler@wmich.edu](mailto:cara.b.weiler@wmich.edu) by May 1, 2014. WMU is an AA/EO Employer
