

Intensive Crisis Stabilization Community Clinician

Kalamazoo Community Mental Health & Substance Abuse Services is seeking an individual who has experience working with people of diverse racial, ethnic and cultural backgrounds to provide co-occurring MIA/SA services for individuals in the new intensive crisis stabilization program. This individual will work on call, primarily 2nd/3rd shifts and weekends. The individual will be required to perform face to face screening activities as well as other case management services for adults and youth in crisis. This individual may also be responsible for screening individuals for hospitalization or other crisis services. The candidate will work in a variety of community settings including: person's homes, local shelters and local ER's. The candidate must also be well versed in Recovery Philosophy and application of Peer Supportive Systems of care. Pay will be provided for on call and then additional pay for when direct face to face services are provided.

The ideal candidate will have excellent communication skills (written & verbal) experience with SA/MI and the criminal justice system. Bilingual/Spanish candidates are desired. Only Master's level licensed professionals with a minimum three years of experience need apply. Computer skills are required. On call pay is \$6.25 per hour and \$25 per hour when called in to work.

Individuals of diverse racial, ethnic, and cultural backgrounds along with bilingual candidates are encouraged to apply. KCMHSAS is an equal opportunity employer that encourages diversity and inclusion among its workforce. We strive to empower people to succeed.
